Message from the President

Spring is here and it's time for the annual workday. Please remember this is the time of year that annual dues are collected. A donation of 20.00 yearly for maintenance is greatly appreciated. Each time the grounds are mowed, it is \$500. All other work done are volunteer dollars and hours. Your donation allows us to properly maintain the grounds. Please help us spread the word about what we are trying to accomplish and encourage other relatives to participate also. Join me as the association continues it's mission. It is through you and your relatives that we can maintain the cemetery.

Thanks,
Kitten

Important Information

Cemetery, from the Greek
Koimeterion,

Means sleeping place. The term was an ancient equivalent to a Holiday Inn. The Bible teaches us that when a believer dies, his body goes to sleep and his soul goes to heaven. When asked about his dead friend, Lazarus, Jesus said he was asleep. The listeners were astonished and said that his body stunk. Jesus called out to Lazarus and he walked out of the grave. I believe that soon Jesus will come again and call the dead to rise and meet him in the air. Souls will be united with new resurrection bodies which will be like his. It gives me great peace. I hope you believe too.
